THIRTEENTH SUNDAY AFTER PENTECOST
Prefestive day of the Dormition of the Theotokos

Translation of the relics of our venerable father Theodosius, hegumen of the Monastery of the Caves. From his earliest youth, he gave himself to pondering on God and to prayer. He left his parents' home and fled to Kiev, to the cave of our holy father Anthony. Anthony received him and quickly made him a monk. By his asceticism, meekness, and goodness, Theodosius quickly outstripped all the other monks. He eventually became the hegumen of the monastery. This man of God had great power over unclean spirits, and healed sickness and had insight into the destinies of men and women. With Anthony, Theodosius is regarded as the organizer of the monasticism of Kievan Rus'. He reposed in 1074.
