Monday in the Third Week of the Great Fast
March 9, 2020**

The forty holy martyrs of Sebaste in Armenia. They were comrades, not in blood, but in faith and obedience to the will of their heavenly Father. At the time of the emperor Licinius, after binding and savage tortures, they were ordered to pass the night naked at the coldest time of winter in a swamp in the open air. They consummated their martyrdom by the breaking of their legs at crucifixion. (320)
