

Hymn for Evening

1. In your Name, your Church has gathered; day now fades away.
2. Grant to us a peaceful evening, pasture now your sheep.
3. Teach us through your strong commandments how to be your own.

Turn our hearts to true repentance; lead us in your Way!
With your angels' guard-round us, careful watch they keep.
Through this life of sin and sorrow, bring us to your throne.

As we come to day's end, the evening light we see.

Stay with us, O blessed Jesus! Hear your Church's plea.
