The holy priest-martyr Zenobius  
and his sister Zenobia

1. With your blood, O Christ, far beyond all price,
2. Let us form a choir, take the heav’n-ly lyre,
3. In Zenobius and Zenobitia,

You redeemed us from our sin. Bringing us new life,
To adorn your martyrs’ feast. Faith-ful unto death,
You show forth your bound-less grace. Grant that we, in-spired,

guarding us in strife, making us your blood-bought kin.
with their final breath they proclaimed you King and Priest!
may like them be fired with the zeal to see your face!

Refrain

Praise to you, O Christ our Lord, both in heav’n and earth adored!

Let your martyr’s praise echo through our days; hymn-ing you with one ac-cord!
